Dear St. Anne's Catholic School Family,

For 100 years St. Anne's Catholic School has been serving the families of our Porterville community and the surrounding area. Whether you are a first or fifth generation St. Anne's family, Catholic or non-Catholic, long-timer or new-comer to Porterville, you are part of a proud and distinguished school community, and I am so happy you are part of the family!

As a ministry of St. Anne Catholic Parish, our school strives to enrich the lives of our children and their families. This is accomplished by providing a superb elementary education in the context of the Gospel values given to us by the Lord Jesus Christ. In Mrs. Kayla Trueblood, we are blessed with an extremely competent, creative and dedicated administrator who, together with her excellent faculty, inspire our children to be "*active Christians, diligent learners, self-evaluators and confident individuals!*"

Recognizing the truth that parents are called to be the first and best teachers of their children, our school strives to accompany and support our parents in this most important mission. By providing a safe, loving and faith-filled environment, St. Anne's School has become, in its first century, truly a home and a family for all those who enter our doors.

Thank you for being a part of our family! And thank you for helping us to build upon our legacy as we move into our second century!

Yours in Christ Jesus,

Rev. Daniel Avila
Pastor
