

Monsignor Scott's Letter

Dear Parents,

We give thanks and glory to God our Father for all the blessings and challenges received at St. Anne's. We rejoice in the words of our Savior Jesus Christ who said "let the little children come to me and do not hinder them, it is to just such as these that the Kingdom of God belongs" (from the Gospel of Mark Chapter Ten). We rejoice in these words because they assure us that Jesus embraces us when we open our hearts and accept Him. When we accept Jesus we give glory to God.

We give glory to God by keeping the faith, by living good, holy lives. We grow in holiness by giving God our best each day, from the smallest task to the greatest challenge. This is an everyday reality for each Christian. The spirit of Saint Anne's School can be summarized by the inscription found on the cornerstone of the main building. This sentiment moves us to continue the good work of Catholic education, to continue to grow in holiness with the innocence of little children - A.M.D.G. - : **"Ad Majoram Dei Gloriam"**, in English - **"To the Greater Glory of God"**.

Saint Anne's School has kept the promise and continues to live the mission of Catholic Education. The celebration of our Catholic faith and the desire for holiness, truth and knowledge propels us from one generation to the next. With God's help we will continue to keep the promise and live the mission proclaiming always the Lordship of Jesus Christ and the truth of His One, Holy, Catholic and Apostolic Church - always **"To the Greater Glory of God"**.

Sincerely yours in Christ,
